

2025 Annual Carbon Footprint

Carbon Emissions Report

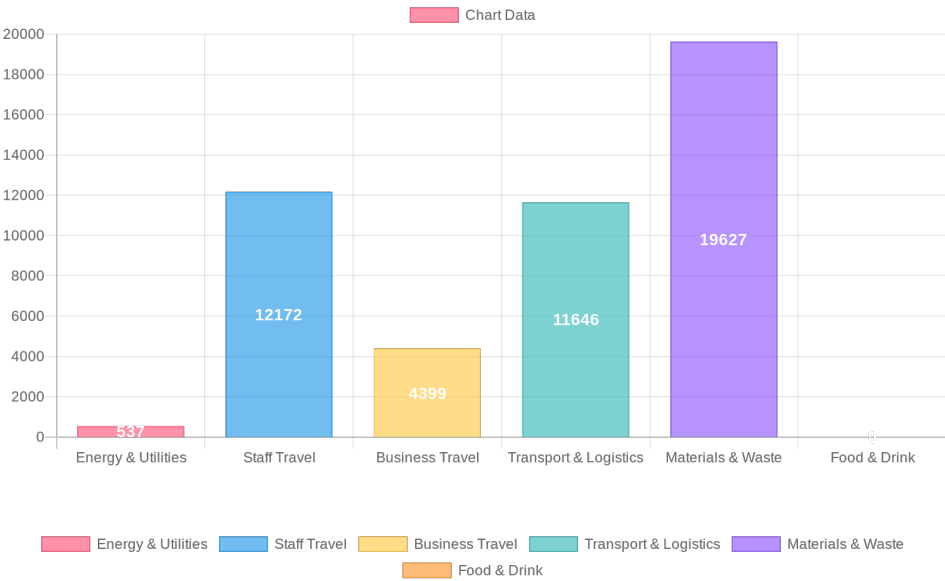

Details

| Title | 2025 Annual Carbon Footprint |
|------------------------------|------------------------------|
| Data Version | 2025 |
| Assessment period (months) | 12 |
| Assessment period start date | 01/01/2025 |
| Assessment period end date | 31/12/2025 |

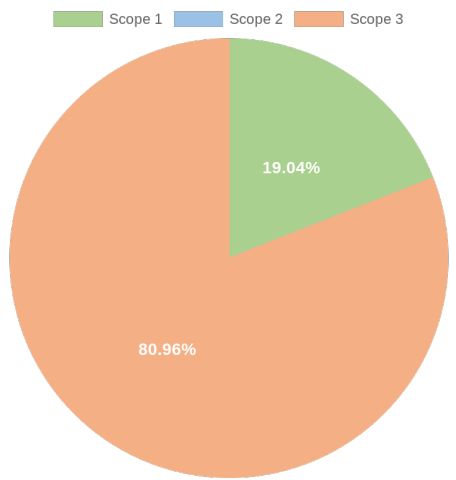

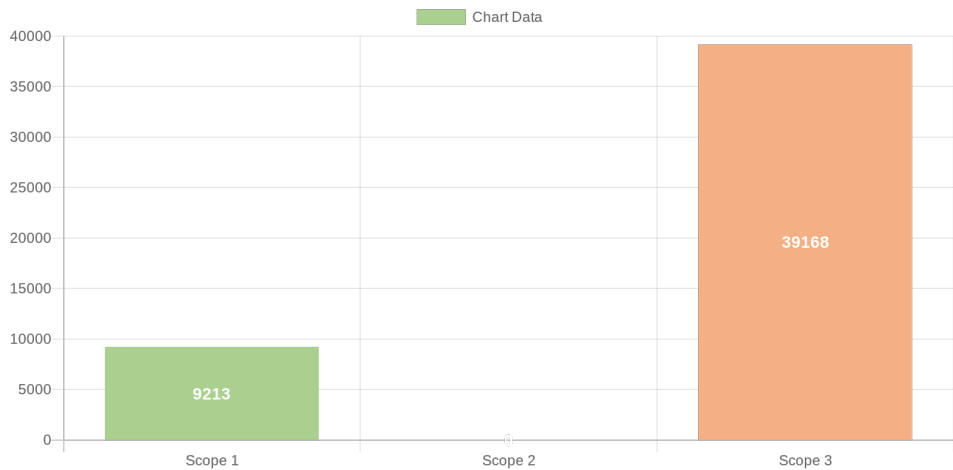

Company description and general notes

Attend2it are a company that specializes in Event IT solutions. Whether it is a festival, corporate event, or virtual meeting, Attend2it have the complete range of IT services on offer that are dependable, user-friendly and flexible. They provide services to some of the largest (and smallest) events in the UK. Services provided are event WIFI, CCTV, Ticketing solutions, Event Apps, people counting, virtual events and TV and film solutions –and more! The team has plenty of industry experience, knowledgeable staff and believe in investment in the most up-to-date technology. As such, they provide a high end-end service to events of every description Attend2it work from 3 units outside Buntingford in Hertfordshire. They have 12 permanent employees but also rely on sub-contract specialist labour to work through peaks in delivering their on-site installations.
